REACH – Declaration of Conformity

Inductron GmbH hereby declares that all products manufactured and sold by us are in compliance with the requirements arising from regulation (EC) Nr.1907/2006 covering **Registration, Evaluation, Authorization and restriction of Chemicals (REACH)**.

The products what we supply are solely non-chemical ones and do not contain any of listed substances detailed in the latest publication of Candidate List of **Substances of Very High Concern (SVHC)**.

The semi-finished or finished products manufactured by us are classified as “article” therefore no obligation for registration or to issue **material safety data sheets (MSDS)**.

We will immediately inform you corresponding REACH article 33 if the concentration of any substance content in our goods will classified “**alarming**” by the ECHA, however we do not expect such an incidence.

We are committed to continuously monitor and comply with the European Union Directives to be published in the future with regards to restriction or limitation of usage of components and/ or substances.
