

REACH compliance

(EG) Nr. 1907/2006

REACH – Declaration of Conformity

INDUCTRON Inductive Electronic Components GmbH declares that all products manufactured and sold by us are in compliance with the requirements arising from regulation (EC) Nr.1907/2006 covering **Registration, Evaluation, Authorization and restriction of Chemicals (REACH)**.

The products we supply are solely non-chemical and do not contain any of the substances listed in the latest publication of the Candidate List of **Substances of Very High Concern (SVHC)**.
The semi-finished or finished products manufactured by us are classified as “article”, therefore there is no obligation for registration or to issue material safety data sheets (MSDS).

We will immediately inform you, in accordance with REACH Article 33, if the concentration of any substance content in our goods is classified “alarming” by the ECHA. However, we do not expect such an incidence.

We are committed to continuously monitor and comply with the European Union Directives to be published in the future with regard to the restriction or limitation of the usage of components and/ or substances.

Schrobenhausen, 09 March 2017
